

The manuscript, title, and copyright files are submitted to Hakkari Review via the DergiPark system.

1) PRELIMINARY REVIEW PROCESS

(The author may withdraw the manuscript)

The manuscript is evaluated for its compliance with the publication principles, ethical standards, and author guidelines, as well as for its similarity index.

COMPLIANT

NON-COMPLIANT

Changes may be requested from the author.

REJECT

The compliance of the revised manuscript with the publication principles, ethical standards, and author guidelines, as well as its similarity index, is evaluated.

COMPLIANT

NON-COMPLIANT

REJECT

2) REVIEW PROCESS

(The author may withdraw the manuscript)

The scientific originality and quality of the manuscript are reviewed by the Editorial Board.

COMPLIANT

NON-COMPLIANT

The manuscript is sent to two reviewers appointed by the Section Editor.

REJECT

1 Major + 1 Major Revision
1 Major + 1 Minor Revision
1 Minor + 1 Minor Revision
1 Major Revision + 1 Accept
1 Minor Revision + 1 Accept

1 Major Revision + 1 Reject
1 Minor Revision + 1 Reject
1 Accept + 1 Reject

2 Reject

REJECT

The manuscript is sent to a third reviewer appointed by the Section Editor.

The manuscript is sent to the author for revision.
A period of 15 days is granted for major revisions
and 7 days for minor revisions.

Minor/Major Revision

Reject

REJECT

If the author completes the revisions on time

If the author does not complete the revisions on time

REJECT

If reviewers do not request re-evaluation of the revised manuscript, their decision is recorded as "acceptance". If reviewers request re-evaluation, the revised manuscript is resubmitted and the peer-review process restarts.

SUITABLE FOR PUBLICATION

At least 2 acceptance decisions

Fewer than 2 acceptance decisions

REJECT

3) PUBLICATION PROCESS

(The author cannot withdraw the manuscript)

Language Editors' Review → Author's Final Check → DOI Assignment → Typesetting → Issue Assignment
